FEATURES

of the 59¢ Uni-Pak Fastener Assortments are as follows:

1. End customer confusion — do away with old fashioned under the counter, bulk packaged fastener selling.
2. Now — self-service selling.
3. All popular sizes in re-usable, easy to stock plastic boxes.
4. Each box clearly marked for item, quantity and size.
5. More impulse sales and simplified stock control.
6. Each item is contained in a color coded box for instant item identification.
7. Each box is tape sealed to prevent pilferage.
8. Pre-priced at 59¢ — tab is stock numbered and perforated for tear-off to facilitate re-ordering.
9. Packaged 6 kits per carton.
10. All items are beautifully plated for lasting appearance with the exception of the brass wood screws.

CATALOG NO. 66

For information regarding prices, terms, delivery etc., see price list.

1. New 40,000 square feet warehouse with the most modern equipment assures prompt delivery and service.
2. **FIX 'n' SAVE** brand merchandise combines top quality and moderate prices to appeal to both the professional and home craftsman.
3. Beautiful descriptive packaging will increase sales and reduce pilferage.

NOTE: Steelcraft Tool Corp. does **NOT** list, or handle, merchandise from any **IRON CURTAIN COUNTRIES.**

All products in this catalog are imported, except those marked "Made in U.S.A." All weights shown are approximate.

- This symbol, which will be found on most illustrations in this catalog, signifies that the item you have ordered will come to you -

- Packaged in clear, strong vinyl, ideal for either pegboard or counter display.
- With a colorful and descriptive header denoting both the item and the stock number plus a punched hole for rack or pegboard display.

This is a new concept in the packaging of tools designed to let your customers see and handle the items, thus increasing your sales while preventing the tools from becoming shopworn or pilfered.
